song	Average Popularity	Max Popularity	Average Song Duration (Minutes)	Earliest release_date
You Are In Love (Taylor's Version)	39.00	78	4.46	Thursday, October

This screenshot shows a Spotify dashboard for an artist analysis. On the left, a sidebar lists various artists and songs. The main area features three cards: 'Popularity by Artist' (Taylor Swift), 'Total Songs by Artist' (Taylor Swift), and 'Total Songs by Artist Max POP' (Taylor Swift). Below these is a table for a specific song, showing metrics like average popularity (39.00), max popularity (78), average song duration (4.46 minutes), and earliest release date (Thursday, October). A green navigation bar at the bottom includes icons for back, forward, and play.

Young Miko: Bzrp Music Sessions, Vol. 58	3.12	Wednesday, January 10, 2024

This screenshot shows a Spotify dashboard for another artist analysis. The layout is identical to the first one, with a sidebar on the left and three cards in the center. The cards show popularity and song counts for 'Bizarrap & Young Miko'. Below is a table for a specific song, 'Young Miko: Bzrp Music Sessions, Vol. 58', displaying its average song duration (3.12 minutes) and earliest release date (Wednesday, January 10, 2024). A green navigation bar at the bottom includes icons for back, forward, and play.
